Winemaking & ageing

Harvest is sorted by hand, destemmed and crushed. Fermentation temperature is controlled at 30°C.

Vatting period of 18 to 20 days. Matured in vats (grenache) and in oak casks (syrah and mourvèdre).

Tasting

Deep and brilliant, purple-red colour. An exciting nose with aromas of black fruit (blackcurrant, cherry) spices and vanilla. This great aromatic complexity is found on the palate : the spices and ripe fruit appear with an elegant woodiness and harmonious tannins. The finish has good aromatic length and introduces a touch of liquorice and pepper. A terrific Châteauneuf du Pape with great concentration and finesse.
